

THE CENTER FOR
LIVING BALANCE

ONLINE PROFESSIONAL CONSULTATION GROUP

WITH DEANA RILEY, LPC

WHY THIS GROUP?

This group is for therapist who want a place to consult with other therapists to sharpen their clinical skills, get support for issues regarding self as therapist, get feedback from other practitioners about specific cases and business development issues, increase self care and professional competency by breaking the isolation inherent in our profession, and build bonds with other therapist who understand the stressors unique to our role as mental health providers.
